Terry Tateossian Socialfix Media

Terry Tateossian is Founding Partner at Socialfix Media, a 13-year old agile and fearless digital agency based out of New Jersey, New York City and San Francisco. Rooted in entrepreneurship along with delivering data-driven, results-oriented strategies to clients looking for top agency talent, Tateossian spearheads client strategy, acquisition and creative development.

Always relationship focused, Tateossian utilizes aggressive growth strategies and leading-edge digital solutions, executed flawlessly to achieve maximum impact for the agency's wide client roster.

With a deep passion for the non-profit sector, Tateossian leverages agency expertise by volunteering time and individual skill sets to high-impact social causes and non-profits. "We are rooted in contributing to our communities. It's part of the Socialfix DNA. It empowers us

as a company to become change-makers while honing our skills, building confidence, and expanding our networks," says Tateossian. An international speaker and thought leader, Tateossian enjoys taking ideas to the next level of innovation and repeatedly delivering value to her clients and audiences.

Tateossian has received recognition as NJBIZ Top 40 Under 40, Future 50 Fastest Growing companies in NJ/NY by SmartCEO Magazine, Top 25 Leading Women Entrepreneurs NY/NJ, Top Female CEO Brava Award Winner by SmartCEO, Best Company Culture in NJ, Top Women to Watch by HudsonMOD Magazine, in addition to being featured in NJ Monthly Magazine, Professional Woman's Magazine, Silicon Review Magazine, Social Life Magazine and more.
